ROOM

Meeting Room 8

Due to the reduced time, participants will be limited to those who hold positions on SHPA Branch Committees, Committees of Specialty Practice, Reference Groups or other official SHPA working groups/committees. SHPA Councillors will be present.

AGENDA

- > Report on key messages (from last year's session), especially for consumers re hospital pharmacy services
- > Attendees will discuss key strategic actions that could be undertaken by all pharmacists
- > Examples of comments from the Garling Commission activities in NSW will be discussed
- > An example of an updated flyer "introducing your pharmacist in the hospital" will be tabled
- > The group will be asked to advise on how implementation could take place in each state/territory

This is a diverse program
which will showcase some unique
medicines management practices.
